Awakening baby's senses

Our lovely, gentle class, which focuses on bonding and confidence. We use elements of baby yoga, baby massage and calming techniques to guide little ones through our magical, imaginary Baby Land and help them to truly experience our soundtrack of remixed nursery rhymes and lullabies. They'll meet friendly puppet characters, be introduced to age-appropriate props and discover sparkly parachutes - all designed to delight those freshly acquired senses and help babies to uncurl and release trapped energy.
