SEBRIGHT ADDITIONAL RESOURCES PROVISION

Dear Sebright Parents and Carers,

It has been some time since I updated you on the development of our ARP (Additional Resourced Provision) at Sebright. Welcome to The Meadow!

There is much to tell you!

Construction has now been completed and we are currently furnishing and equipping the spaces in readiness for our first children.

Our ARP is called The Meadow. It has the following:

- An Early Years & Key Stage 1 Classroom known as *The Ladybirds*
- A Key Stage 2 Classroom known as *The Dragonflies*
- An office
- A Large Therapy Room called *The Hedgehogs*
- A Small Therapy Room called *The Butterfly Room*
- and a large communal learning space called *The Green*
- As well as fancy toilets!
- As part of this work, we have also been able to repurpose a space on our stairs for Mr Kimpton and a new meeting room as well!

We have also established a team of staff who will be part of *The Meadow*.

This will be led by Lucie Collins (Deputy Head Teacher) and Rowan Tidey (Lead Professional for the ARP). Rowan will provide leadership and teaching support. We have also appointed Gabriella De Silva who will be the Lead Teacher, working directly with the children and alongside our class teachers.

In addition, we have appointed Alex Ivey to be a substantive Learning Support Assistant role and Charley Harthorne who will work alongside our SENDCO, Miss Ali, as Inclusion Support.

In addition to the fancy rooms, lots of specially commissioned Sebright Primary School art will be going up on display. Including a giant reproduction of one key piece by Isabella in Bluebell Class !

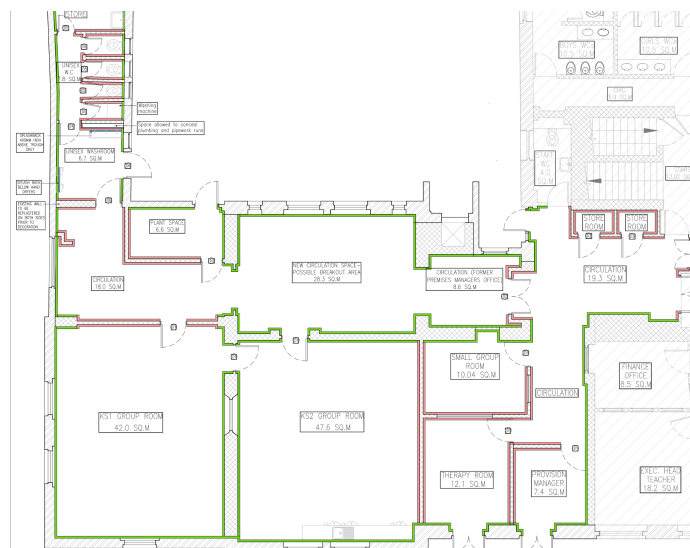

Some of the next steps are unknown, but it is more than likely we will admit new children very gradually over the next two years until the space is full with 24 children. We expect three children to join us in the autumn.

The children admitted to Sebright's ARP will also be assigned to their chronological year group. For example, if we have a new Y4 child, they will be part of Thistle or Iris Classes. No ARP pupil will just be based in the ARP - they will be fully integrated Sebright children. This is very important to our vision.

Over the next few weeks, we will be completing the furniture and room designs ready for September. We will also be planning an official opening in the autumn where all our community can come and see what we have done.

It is very exciting for the school and for the children we will be working with.

Yours sincerely,

Robin Warren

Robin Warren
Executive Head Teacher
