

9th March 2026

Dear Parents/Carers,

Daubeney Nursery Closure – Eid Celebration

We are writing to inform you that Daubeney Nursery will be closed on **Thursday 19th March or Friday 20th March** as all members of our nursery staff will be celebrating Eid.

This year, we are unable to remain open because we have a high number of children on roll, aged between 2 and 4 years old, and maintaining stability is especially important for them. Our staff and children have worked incredibly hard to establish routines and develop positive learning behaviours.

Using an alternative space for the day would create a significant change for many of our young children and could be challenging for them to manage. Additionally, having children cared for by unfamiliar adults would not be in their best interests, as it could cause unnecessary anxiety and disrupt the secure relationships they rely on.

To minimise disruption and continue supporting their wellbeing, routines, and consistent learning experience, we have made the decision to close the nursery on this occasion.

If nursery is closed on **19th March 2026**, Daubeney Primary School will send a text on the evening of **18th March 2026**.

Thank you for your understanding and continued support.

Yours sincerely,

Mr Gregory Logan
Head of School
