Re: Blossom Federation Partnership with Millfields Community School

Dear Parents and Carers,

We are writing to share an unexpected, but exciting development for the Blossom Federation.

We have recently been approached by Hackney Education and another Hackney school to provide leadership support through a soft partnership from September. We are pleased to confirm that we have accepted this opportunity.

From the start of the next academic year, the Blossom Federation will be entering into an initial one-year partnership with Millfields Community School in Clapton, following the retirement of their longstanding Head Teacher. Further details will be shared as the arrangement is developed, in collaboration with Millfields, their governing board, and the Blossom Federation governing body.

This partnership is a strong endorsement of the confidence Hackney Education has in the work of our Federation and Robin's role as Executive Headteacher. Our governing body also recognises the importance of supporting local schools and the mutual benefits that such collaborative work brings. This opportunity will allow us to share expertise, learn from a new team of talented leaders, teachers and support staff, and contribute to ensuring Millfields continues to flourish.

We will keep you fully updated as plans progress, but we are confident our Federation community will support this new venture.

Regards

Robin Warren
Executive Head Teacher
The Blossom Federation

Will Emms
Chair of Governors
