Autumn School Development Newsletter

What's this all about?

Welcome to the first of our School Development Newsletters for the year. The purpose of this newsletter is to keep you, our parents and the wider community, informed of our progress against our School Development Priorities (SDP's) and other successes that we enjoy as a school community. We hope that you find this newsletter informative. However, if you have any questions about our SDP's or our school improvement journey, please feel free to strike up a conversation with Senior Leadership Team (SLT), you know where to find us every morning and afternoon at the gates, or email your query to admin@daubeney.hackney.sch.uk.

Our School Development Priorities (SDP's)

1. Continue to improve outcomes for the lowest attaining pupils (25%) across all areas of the curriculum.
2. To further improve writing outcomes, with an explicit focus on spellings.
3. To further improve maths outcomes, with an explicit focus on early maths.
4. To develop the oracy skills of pupils to enhance their critical thinking, justification and explanation of ideas across the curriculum.
5. To further embed sustainability across the curriculum to develop environmentally literate learners.

Tuesday saw the Full Governing Board (FGB) meet at Lauriston for the penultimate meeting of the year. On Wednesday, a Finance & Staffing (F&S) governors meeting was held as well the second day of our parent consultations. Thank you to all of our parents who attended and work with us as parent partners for the betterment of their child(ren). Thursday was our Geography **WOW Day**, and for **Y5 Kiwis** it was also their class assembly day. There were also two **Y4** MTC parent meetings held, thank you again to the parents who attended. The week concluded with us having a dress-up day to celebrate **Autism Awareness Day**. It's been another great week!

Staff Feature- My name is **Patryk Flissikowski**, and I am a Learning Support Assistant in the Rainbow Class. I work closely with pupils who have special and complex educational needs, helping them access the curriculum in ways that celebrate their strengths while supporting their learning, development, and wellbeing. Before joining Daubeney Primary School, I worked in private nurseries across London, beginning as an apprentice and progressing into a management role. During that time, I discovered my passion for supporting children with Special Educational Needs and developed practical skills that I now bring to the Rainbow Class to make a meaningful difference in pupils' lives. I chose to join Daubeney because my siblings attended the school and were truly inspired by the support they received—memories they still cherish today. I am proud to contribute to a school that nurtures every child academically and personally. Outside of work, I enjoy spending time with my family, exploring new places, going on nature walks and writing articles for SEN Magazine.
