Golden Expectation of the Week: **Be kind, helpful and gentle**

Word of the Week: **Graduate**

Curriculum feature – **Linguascope**

As part of our Spanish curriculum we've recently updated the Linguascope password and would love for children to keep exploring languages over the summer! This is a great activity if you plan on becoming a footballer when you're older as you'll need to speak more than one language if you are very successful.

Linguascope is packed with fun games and activities that help develop vocabulary and build confidence in speaking, listening, reading and writing. Even a few minutes each week can make a big difference.

Looking back – As we conclude the final week of the school year, there were many exciting events and celebrations to enjoy. Monday was a standard teaching and learning day. On Tuesday, pupils in **Years 5 and 6** enjoyed a celebratory end-of-year trip to Southend-on-Sea, while our **Year 2** pupils celebrated their graduation in the presence of their loved ones. Wednesday saw our **Year 6** enjoy another celebratory trip to Laburnum Boat Club whilst everyone else revelled in a whole-school elocution contest, which showcased pupils' confidence, creativity and public speaking skills. Thursday was a particularly special day as we celebrated the graduation and banquet for our Year 6 pupils as they prepare for their next educational journey. Meanwhile, Reception children marked their own graduation, recognising this important first step on the formal education ladder. Finally, on Friday, saw us enjoy the last day of the school year. Thank you for your continued support throughout the year, and we wished all our families a wonderful and well-deserved summer break.

Looking forward – Children return to school for the new academic year on **Thursday 3rd September 2026**
