You! ♥

Online Safety and AI

Think before you click!

- Keep personal information private
- Be kind online
- Check information with a trusted adult
- Tell an adult if something online worries you

Child-on-Child Abuse Awareness

- Be a good friend
- Include others
- Stand up against bullying
- Report unkind behaviour

Respect each other
— we're stronger together! ♥

Mental Health and Emotional Wellbeing

- Talk about your feelings
- Take time to relax and play
- Ask for help when you need it
- It's okay not to be okay

Your feelings matter!

Attendance and Safeguarding

- Come to school every day if you can
- Being in school helps you learn and make friends
- Let us know if you need support

Every day counts!

Preventing Exploitation and Grooming

- Never meet someone from the internet without a trusted adult
- Never share personal information or photos online
- Trust your instincts if something feels wrong
- Tell a trusted adult straight away

It's always OK to say NO!

Promoting Respectful Relationships

- Be kind and include others
- Celebrate differences
- Use respectful words and actions
- Treat others how you would like to be treated

Different. Equal. Together.

ONLINE SAFETY & AI

Be Smart • Be Safe • Be Kind Online

**A
Safer,
Brighter
Future
Together!**

With increasing access to AI tools, social media and online gaming, it is important that families understand both the opportunities and risks children may encounter online.

Be curious
Ask questions
Stay safe!

What Parents Can Do

- Talk regularly about what your child is doing online.
- Ensure privacy settings are applied to devices, games and social media accounts.
- Use parental controls and age restrictions.
- Keep devices in shared family spaces where possible.
- Encourage children to tell a trusted adult if something online makes them feel uncomfortable, worried or confused.

Have regular conversations and listen. It makes a difference!

AI Safety Tips

Remember: AI is helpful, but not always right!

- Information generated by AI may not always be accurate.
- Never share personal information with AI chatbots or online platforms.
- Question information found online. Is it true? Where did it come from? Can an adult help check it?
- Seek adult support if you receive upsetting or inappropriate content.

Use AI Wisely
Be Informed • Be Safe • Be You!

Signs a Child May Need Support Online

- Becoming secretive about online activity.
- Noticeable changes in mood after using devices.
- Withdrawal from usual activities.
- Communication with unknown individuals.
- Requests for money, gifts or personal information.

If you notice any of these signs, please talk to a trusted adult.

Be kind online!

Autumn Term—PSHE Curriculum

We believe that one of the best ways to safeguard children, is through equipping them with the knowledge and skills for how they can keep themselves safe. Safeguarding themes are threaded through our curriculum and the enrichment opportunities we offer in school. Some examples include:

- Our PSHE curriculum is covered through the 'jigsaw' scheme that is delivered from Nursery to Year 6.
- Online safety discussions
- Assemblies
- Involvement in Anti-Bullying week and Mental Health Awareness Week
- RSHE lessons.

Autumn 1 Jigsaw theme is '**Being Me In My World**'

Autumn 2 Jigsaw theme is '**Celebrating Differences**'

You can find out more about our Jigsaw curriculum by clicking [here](#)
