

23rd October 2026

Dear Daubeney Families,

We are delighted to share details of our revised **After-School Club Programme** for the **2026-2027** academic year.

Following feedback from parents, pupils and staff, we are reviewing our provision to ensure that it continues to meet the needs of our school community while providing children with engaging, high-quality opportunities beyond the school day. Our refreshed programme will be designed to offer a wider range of activities, greater consistency and an enhanced experience for all participants.

In this letter, you will find important information about the new arrangements, how the programme will operate and the exciting opportunities that will be available to children throughout the academic year. We look forward to working in partnership with families as we launch this updated offer and continue to provide enjoyable, enriching experiences for our pupils.

Since our return in September, we have temporarily reduced our enrichment offer to allow us time to fully review and redesign our provision. Our aim is to implement a new and improved enrichment programme during this academic year that not only continues to provide exciting opportunities for children who regularly access enrichment activities, but also actively supports those pupils who seldom, if ever, participate in extracurricular opportunities, either at school or beyond.

We are committed to creating a more equitable offer that removes barriers to participation and ensures that all children can benefit from a broad range of enriching experiences that develop their confidence, interests, talents and wellbeing.

Although we have reduced our after-school enrichment offer while we undertake a full review of our provision, our Extended Day Care service has remained in place throughout and continues to provide valuable childcare for families who require it. Many parents may not be aware that our Extended Day Care provision offers much more than childcare alone. Children who attend are able to take part in a range of engaging activities designed to promote creativity, physical activity, social interaction and enjoyment at the end of the school day. These opportunities ensure that pupils continue to benefit from a stimulating and supportive environment beyond the classroom. Below, you will find a list of the activities currently available to children attending our Extended Day Care provision during the Autumn Term.

Monday	Tuesday	Wednesday	Thursday	Friday
Free Play	Free Play	Free Play	Free Play	Free Play

During the Autumn 2 half term, parents will receive a letter providing details of our exciting and newly rebranded **Stay and Play** programme, which will launch in January 2027. The letter will give families the opportunity to sign their children up for a range of **Stay & Play** activities designed to enrich their school experience, develop new skills and interests, and encourage greater participation in extracurricular opportunities, we will also be able to offer some free spaces to children who are in receipt of Free School Meals (FSM).

We are particularly keen to ensure that as many children as possible can benefit from the programme and look forward to sharing a diverse and inclusive offer that reflects the needs and interests of our pupils. Further information regarding available activities, registration arrangements and start dates will be included in the letter. We encourage all families to take the time to review the information and consider the opportunities available to their child.

To reiterate, our new Stay and Play programme, the rebranded version of our after-school clubs, will begin in January 2027. During the Autumn 2 half term, families will receive further information and be invited to register their children for the activities on offer. In the meantime, parents who require after-school provision are welcome to enrol their children in our Extended Day Care provision. As well as providing high-quality childcare, Extended Day Care offers children the opportunity to participate in a variety of engaging and enjoyable activities each day, as said previously. A full list of the activities currently available during the Autumn Term can be found above, and we encourage families to take advantage of these opportunities while we prepare for the launch of our exciting new Stay and Play programme.

Yours sincerely,

Mr Gregory Logan
Head of School

Robin Warren
Executive Head Teacher
