

8th July 2020

Dear Parents and Carers,

COVID Summer Food Fund for pupils on free school meals (FSM)

The school has continued to support those families in receipt of benefits-related FSM where the pupil is not attending school, through the government national voucher scheme.

Last month, the government launched a Covid Summer Food Fund which will enable children who are eligible for benefits-related free school meals to be supported over the summer holiday period.

The school will be ordering vouchers on Friday 10th July and eligible families should receive eCodes by email within 7 days of this date. The voucher will amount to £105 to cover the full 7-week holiday period. This payment will be in addition to the free school meals national voucher scheme which will continue until the end of term.

Please ensure you redeem any outstanding eCodes before Friday 17th July, as the school will be unable to reissue any expired eCodes after this date.

Any child currently in receipt of benefits-related free school meals or who becomes eligible during the summer term is eligible for the Covid Summer School Fund. Hackney Learning Trust will continue to accept and verify free school meal applications up until the end of summer term. The eligibility criteria for free school meals can be found at [apply for free school meals](#).

[Guidance](#) is available from Edenred for parents to help answer any questions. The voucher does not have to be spent in full, in one transaction. To check how much money is left on the eGift card, parents can ask the supermarket's customer service team when in store.

You can currently access eGift cards for the following supermarkets:

- Morrisons
- Aldi
- Iceland, including The Food Warehouse Stores
- McColl's
- Tesco
- Sainsbury's
- Asda
- Waitrose
- M&S food

Once you have received your voucher, you will be able to redeem this in-store at the selected retailer by either:

- Presenting the voucher on a smartphone or tablet
- Presenting a paper copy of the voucher

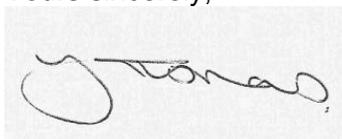

A reminder that the vouchers must be used for food, and must not be redeemed for any age-restricted items, such as alcohol, cigarettes or lottery tickets.

When using the vouchers, families are free to select the most appropriate food and drink for their child. We encourage families to consider making choices that contribute to a healthy balanced diet. The [School Food Standards](#) may act as a useful guide.

There are a number of ideas and tips available online to support you in preparing healthy meals, including the [Change4life recipes](#) and [NHS Eat Well website](#).

I have included the list of Frequently Asked Questions previously sent on 2nd April which are still relevant and I hope you will find helpful.
