Articles About us!

ABOUT US! The journalist team has worked really hard and in this part of the newsletter we are going to tell you a bit about us.

First things first, here is a little bit about us! The Journalist Committee has 7 Councillors; Pip, Nailah, Uzair, Rosa, Amelio, Ibrahim and last but definitely not least Violette!

This year the Journalist Committee have made a really good start. We have been focusing on how to be the best School Councilors Daubeney has ever had!

Nailah is the current lead for the Journalist Committee. She has made a great start and our meetings are fun, informative and always of a high standard. She has made sure we are all doing our best and that we are all happy with our roles.

Nailah has interviewed many teachers as well as students with her partner Emilio. Look out for the interviews!

The School Council consists of two other committees; Junior Road Safety Officers and the Admin Committee. We meet in our Committees once a week and as a whole Council once every half term. Each Committee chooses a Lead every term and all the Leads meet once a week with Mrs. Shelina.

Plans for the coming year!

We have begun work on our next issue and we are really excited as the team are coming up with lots of different ideas to make our newsletter amazing!

If you or anyone you know have something exciting that you do in or outside of school, then come and share your story!

The Junior Road Safety Committee (Jiang, Levi, Scarlett, Hal, Ashanti, Ayesha and Junaid) are working hard on creating assemblies and lessons to help our Daubeney family learn on how to be safe on the road and raise awareness. Currently they are trying to get Hackney Council to install cameras on Daubeney Road for School Streets so that children are safe when school starts and ends. The JRSO's will be working closely with the ECO team and find ways to encourage people to cycle, walk or scoot to school. Previous lead: Levi Current Lead : Jiang

What does the Admin Committee do?

The Admin Committee (Edie, Maya, Rosa, Michael, Poppy and Melike) have had a very busy Autumn term ensuring the children at Daubeney have a **VOICE**. Every class (years 2-6) now have "idea boxes" to ensure children can give feedback, ideas and suggestions. Surveys for school lunches and playground have been completed. The main purpose of the Admin Committee is to make sure everyone is heard and that everyone can be included if they want to be. The suggestions/ideas are collected every week and discussed in our weekly meetings. They will then be brought to the attention of Mr. Logan and Mr. Warren

Day in the life of an athlete

The first thing that an athlete does (Rickola) is exercise .

She states that she wakes up bright and early on a Saturday morning to exercise and her favourite drills are 30 star jumps,

40 pushups and then this is followed by practicing football skills like Ronaldo as well as doing dribbling around cones.

Rickola shows her skills in our school football team , the football teachers, Mr. Simon and Mr. Simeon state, that they are very proud of Rickola.

She is a great football role model to our very special school.

She would love to be an athlete and you can really tell in her skills that she is a talented footballer.

Kamron, one of Rickola's friend, says "I am proud of Rickola because in year 2 she could barely kick a football and now in year 5 she is one of the best female footballers in the school."

Well done Rickola!
