

17th March 2023

Dear Parents / Carers,

It has been somewhat of a disjointed week with a two day break for industrial action– but it's ended well with the combined celebration of St Patrick's Day and **Red Nose Day** ☺ Thank you to those who supported their child to adorn themselves in green and make the day a magical one!

We would like to encourage our 2H and 5Mc parents, who haven't had the opportunity to discuss their child(ren)'s progress, to please visit our website to book your **parents' evening appointment for class 2H** which will be held on **Tuesday 28th March** from 2:00 to 6:00pm

<https://www.daubeney.hackney.sch.uk/appointments/event?id=11>

In a similar manner, please visit our website to book your **parents' evening appointment for class 5MC** which will be held on **Tuesday 28th March** from 3:45 to 5:00pm.

<https://www.daubeney.hackney.sch.uk/appointments/event?id=11>

To switch things up, we always encourage you to visit our **online calendar** on a regular basis to keep ahead of upcoming events. <https://www.daubeney.hackney.sch.uk/about-us/calendar>

As a reminder, please note that school will close at 1.30pm on Friday 31st March, this will include Extended Day Care and Wrap Around Care.

In a similar manner, we strongly encourage you to regularly visit the **news and letters** section of our website to stay informed of key information and/or key events at school <https://www.daubeney.hackney.sch.uk/news>

As well as visiting the website calendar and our news and letters, why not visit our **highlights page** on a regular basis too? This will certainly help to encourage home learning conversations.

<https://www.daubeney.hackney.sch.uk/highlights>

As mentioned previously, we will be having a **Stay & Play session on 22.3.23** and we would also like to request for **parents to volunteer** to help paint the shelters in the morning at 9am on that date. If this sounds like something you're willing to support with, please let us know via admin@daubeney.hackney.sch.uk

If you would like your child to access our **Easter Club**, please access the link below to register – spaces are going fast! <https://forms.gle/dGzeSKhvoxMEA67eA>

As always, **spaces are free for pupils on FSM**, but if you are a family who have no access to public funds, or are just simply struggling & in-need, please let Apex know and they will endeavour to facilitate spaces for your child(ren). For more info please visit the Apex website - <https://www.alh.org.uk/easter-holiday-club-2023.html>

As you will be aware, this week we had our **School Photos** taken. We will be provided with photo proofs in the upcoming weeks. These will be shared with you in due course and all ordering instructions will be included with the proof photo pack.

This week in addition to the **CC and Science topics**, we have included what each class is reading as part of their **Whole Class Reader** and at the very end of the letter we have included our **Times Tables Rockstars** League Table. If your child is in KS2 please ask them about this.

<p>Year 1</p> 	<p>All Around the World – How can I find where I am in the world?</p> <p>Physics – Everyday Materials: Can all materials keep you dry?</p> <p>Anansi and the Tug O' War – Traditional Tale</p>
<p>Year 2</p> 	<p>Australia – Why should we visit Australia?</p> <p>Biology – Animals including Humans: How do you keep a plant alive?</p> <p>Where the Forest Meets the Sea – Jeannie Baker</p>
<p>Year 3</p> 	<p>Volcanoes – Are volcanoes dangerous?</p> <p>Physics – Light & Understanding Shadows: Does everything create a shadow?</p> <p>Escape From Pompeii – Christina Balit</p>
<p>Year 4</p> 	<p>Rivers – Why are rivers important?</p> <p>Physics – Sound: If you couldn't hear, would you know there is sound?</p> <p>The River Singers – Tom Moorhouse</p>
<p>Year 5</p> 	<p>Europe – What would a holiday in Turkey be like?</p> <p>Physics – Earth and Space: What would happen if the earth didn't rotate?</p> <p>Harry Potter and the Philosopher's Stone – JK Rowling</p>
<p>Year 6</p> 	<p>The Globe – How is the north different to the south?</p> <p>Physics – Electricity: How can you make a light bulb brighter?</p> <p>Journey to the River Sea – Eva Ibbotson</p>

Enjoy your weekend ☺
