Re: Saturday School SATs Boosters.

Dear Parents/Carers,

Firstly, the Year 6 team would like to express their utmost gratitude for your continued support to ensure that our children are getting the most out of their final year in primary school.

As the SATs are quickly approaching, we are offering free tuition on a number of Saturdays in order to give our children the best opportunity to prepare for their SATs examinations.

The sessions will run from 9am to 1pm and will be led by Miss Kepha, Ms Gedny and Ms Aneta.

The Saturday school offer will run on the following days:

First sessions: **15th March, 22nd March, 29th March.**

Easter Break— No sessions

Second sessions: **26th April, 3rd May, 10th May.**

During Saturday school sessions, the children will receive tuition in maths, reading, and grammar. This differs from everyday teaching in the classroom, as it focuses more closely on examination technique, and test paper questions, additionally, children can come to school in their own clothes.

The session will end at 1pm, therefore, lunch will not be provided, however, appropriate snacks will be provided during breaks.

To help us manage these sessions effectively, please access the following QR code and complete the form indicating which sessions your child will be attending, if not all of them.
