

Blossom News

Welcome to the first edition of Blossom News.

We are the School Council, Journalist Committee. Daubeney School Council were elected by peers from Years 3-6 in October 2024. The School Council is divided into three committees; The Admin Committee, The Junior Road Safety Committee and the Journalist Committee. We are the voice for our peers. The School Council's ethos is **TEAM - Together Everyone Achieves More**. We believe that together we can do anything!

The **Admin Committee** have been working very hard in creating "Idea Boxes" for each class, so children are able to express their ideas, concerns and comments.

The **Junior Road Safety Officers** are planning to deliver a teaching session to the Reception children about safer ways to cross the road and dangers to look out for.

We, the **Journalist Committee** have been working hard to produce this newsletter. Our aim is to have three editions throughout this year.

I hope you will enjoy our first edition. If there is anything you would like the School Council to do, please: speak to one of our councillors, or drop us your thoughts on the Daubeney web page via the School Council link. You can also express your thoughts by leaving a note in the Ideas box in your classroom.

Interviews

Daubeney Primary school has its very own Café - `Da Café'. This name is very special because the school ran a competition to name the café and Alisha from Year 5 won the competition. We asked Alisha how she came up with the idea to name the café "Da Café". She replied "It was the first name that came to my head." She also went on to say, "I was so happy that my suggestion for the café name was chosen."

How is learning...?

We asked some children here at Daubeney to tell us how they feel about their learning. Adil in Year 4 said he really needs to focus on his writing. He gave himself 5/10.

"Off course I like maths, I'm good at it," reports Charlie in Year 1.

Sandra in Year 6 really liked the mould experiment, "That was my favourite experiment" she stated.

In Year 3, Leoni and Buster were excited to tell us what they loved about learning. "History is my favourite subject" reported Leoni. Buster said he loves learning, "But maths is my all-time favourite subject."

If you would like to tell us about how you are finding school or want to share your ideas or concerns; you can leave a note in the idea box in your classroom.

Happy baking.....

Classic Cupcakes

servings

INGREDIENTS

Cupcakes

- 170g butter
- 170g self-raising flour
- 170g sugar
- 3 eggs

Buttercream

- 125g butter & 250g icing sugar
- 1 tsp of vanilla extract (optional)

EQUIPMENT

- Cake Mixer (Hand mixer)
- 12 baking cups and baking tray
- Piping bag & nozzles

PROCEDURE

01

Preheat the oven at 160 degrees. Mix sugar, butter, eggs and blend. Then add flour & blend further. We recommend you weight your eggs first and match the weight of your eggs to the other ingredients.

02

Place in oven for 23 - 25 minutes or until golden and allow to cool.

03

For the buttercream icing, add butter and icing sugar into a cake mixer until smooth. Fill a piping bag with buttercream and pipe onto your cupcakes. Make sure the cupcake is cool before adding buttercream to the cupcake as it will just melt. Or, you can try the smear method which you smear buttercream in the middle and over the top of a cupcake using a palette knife.

04

Sprinkle a mix of your desired sprinkles on the top of the buttercream or leave as is.

JOKES

Why shouldn't you mess with a dinosaur?

You'll get Jurrass kicked!

Knock! Knock!

Who's there?

Naniya! Naniya who?

Nuniya business!

What do you call a cow with no legs?

Ground beef!!

Why didn't the skeleton watch the scary movie?

He didn't have the guts?

Knock! Knock!

Who's there?

Boo!

Boo who?

Aww don't cry!
