

Daubeney Sports Day KS1: Mabley Green

Tuesday 19th June 2018

KS1- City year will be running/scoring the events/clockwise rotation after each event.

Sue Groves and I have sorted out a list of times for each year group leaving school on the day.

Each class will bring their own medication for the children.

The class teachers will be responsible for their group throughout the day. LSA'S will be in charge of toilet runs for their year group. All LSA's are first aid trained and will act as first aiders for their year group.

Children rotate through the stages clockwise. Teachers rotate through the events whilst City Years stay at their station.

WATER: Children come with their own labelled water bottle but LSA's provide water bottles to children who do not have any.

Each event lasts 10min. There will 10 events (one being a rest station); each class will do all 10 events. One whistle will start the events and the second whistle will end the events. Simon is blowing the whistle and timing the events. Mr Simeon circulates and feeds back to Simon as to whether people are ready to start or end an event. Sheetal from city year will be with Mr Simeon and Dan (LSA) will help Simon do the timing and whistles.
