

Success, no matter what!

Daubeney News

Dear Parents & Carers,

Welcome to our second edition of the newsletter which provides just a snap shot of some of the great things that happen at Daubeney on a daily basis!

May I start by congratulating the Year 6 team who supported our children last year to achieve the second best SATs results in the borough!

Well done to Miss Meehan, Miss Fergus, Mr Swarbrick and to Mr Dharma for their efforts which paid such great dividends.

We look forward to more of the same this year please (and as you can see in the article below - we ensure that our Year 6s focus on more than just maths and literacy!).

While discussing Year 6, please complete your secondary transfer forms by 20.10.17.

Continuing with the year 6 theme, thank you to all of the parents that attended the SATs preparation meeting on Wednesday. Your attendance and continued support will go a long way to assuring our children a successful year and transition to secondary school.

Parental support is vital if we are to achieve success, and as such well done to all of the parents that have attended our parent workshops.

The maths workshop was very well attended, with lots of smiling adults and children. I'd also like to thank the parents who have attended class assemblies and our weekly achiever assemblies.

These celebratory events would not be the same without you!

It's great to see everyone settling back into our school routines, but I encourage us all to have adequate rest.

The NHS recommends that children aged from 5-11 have at least 9-11 hours of sleep per night. This will certainly aide with punctuality and attendance.

I would also encourage you and your household to develop the routine of accessing IXL daily, as well as reading daily - little but often is the key.

Whilst discussing routines please support us by being prompt with your dinner money payments, trip contribution payments etc.

I will conclude by congratulating Sarah Dean, Kari Stewart, Ryan Malone and Nadia Malone on being elected to their various roles for Friends of Daubeney (FoD).

Please see article on the back page, and we would love to see you supporting the FoD in any way you can.

As always visit our website for a comprehensive over view of all things Daubeney.

Mr Logan—Head of School

A New Team in Town...

The result of Friends of Daubeney's recent AGM is a new (ish) line up of committee members who, along with many other proactive parents are actively trying to contribute to the school in a positive way.

A huge thank-you was expressed to Jacqui Veitch who, as the previous Chair has contributed massively to the PTA and the school over the years and who has worked hard to raise funds and organise events aimed purely at memory making for the kids. Jacqui will continue to be involved with Friends of Daubeney but with a bit more free time to invest in her interests outside the school.

Now to announce the new team...drumroll please....

Chair: Sarah Dean

Vice-Chair: Kari Stewart

Treasurer: Ryan Malone

Secretary: Nadia Malone

We have a large number of events planned that are for fundraising purposes, aimed at bringing the school together with the wider community and also some that are simply just for the enjoyment of the children.

We are always on the look-out for new members and really want to hear ideas from any parents (from nursery all the way to Yr 6) and teachers who would like to get involved. Even if you are unable to give your time please feel free to get in touch with your thoughts and comments by emailing us at friendsofdaubeney@gmail.com

Daubeney School's
1st Table Top Sale
Sunday 15th October 2-5pm

- Nearly New Clothing

£10 per table on the day or £8 Pre-Book by emailing - friendsofdaubeney@gmail.com
Daubeney Road, E5 0EG

No Junk – Just Funk

All welcome - please come and say Hi!

Daubeney Primary School

As part of our celebration of Black History month, Daubeney School will be hosting its main Event on Wednesday 18th October from 5:45 to 6:45. It will showcase Daubeney's best and finest. If you would like to be part of our celebration and you are a skilled artist, performer, or designer, please get in touch with Ms Gustave before 2nd October 2017. Come and be a part of this fantastic celebration.

They did it!

A group of unhinged Daubeney parents recently braved the wilds of South not-quite-London to take on a Tough Mudder challenge in order to raise funds for Friends of Daubeney.

Last minute training consisted of getting the kids to fling lumps of soil in their faces as they tried to scale garden fences (to the sound of Eye of the Tiger obviously).

It all proved worthwhile as they took on obstacles such as The Block-Ness Monster and Birth Canal with elegance and poise (and when I say "elegance and poise" what I mean is "un-coordinated lumbering").

They didn't get by unscathed and Everest almost did for them but thanks to those lovely people at the Red Cross bleeding was halted and concussion was checked for.

The bruises are starting to fade, the stiffness has abated and the mud has finally been washed off. Leaving a sense of pride at their performance and the huge amount they managed to raise for the school.

Funds currently sitting at £1470 and for those that have yet to give don't worry there's still time and you can contribute by following the link below:

<https://www.justgiving.com/crowdfunding/friendsofdaubeney>

If this all sounds like amazing fun and you're not put off by the pain, discomfort and electric shocks then please get in touch with friendsofdaubeney@gmail.com as further fundraising challenges will be organised.

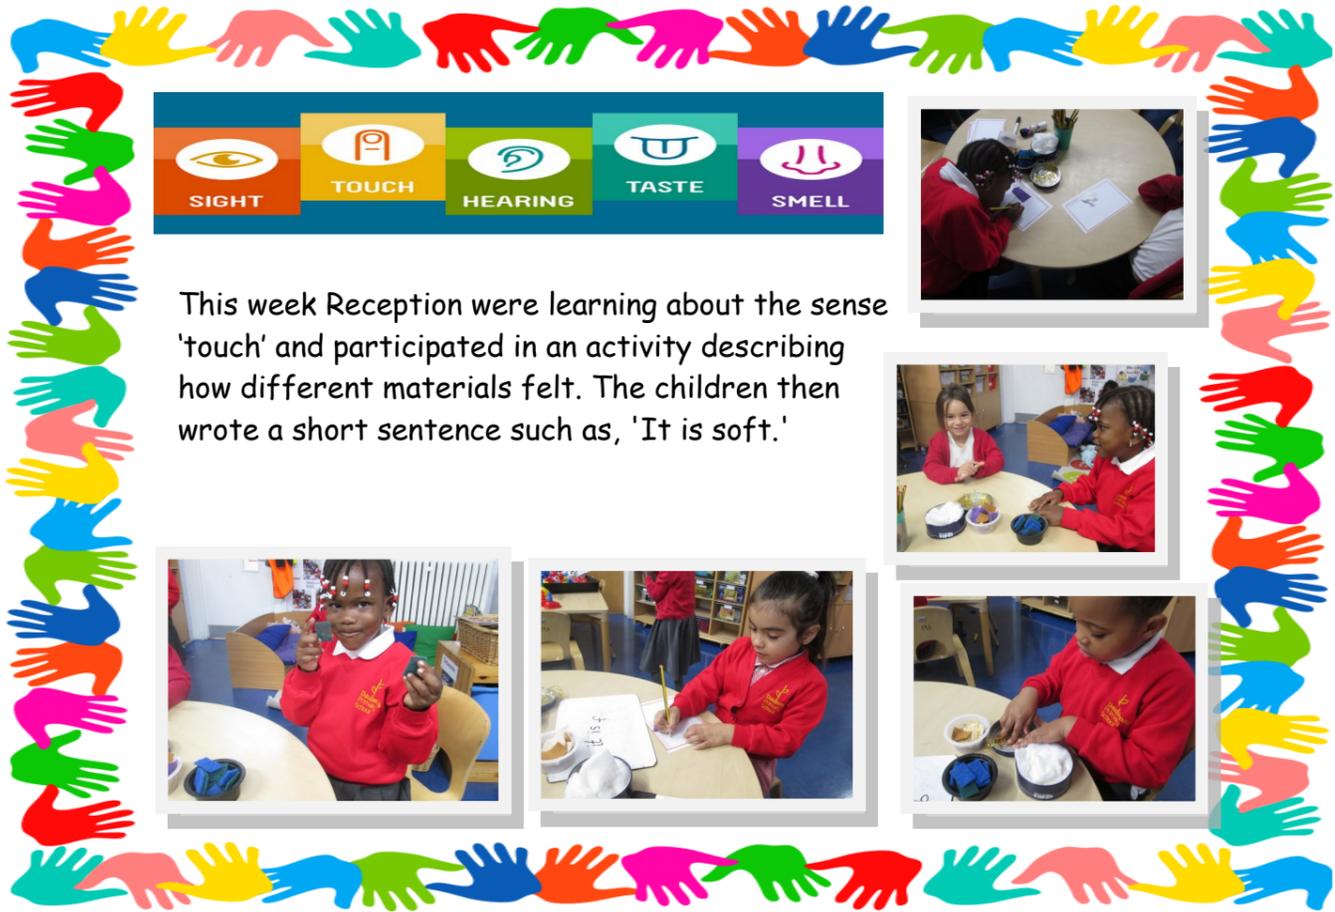

Lots of Love, The Daubeney Dirtbags

Year 6 went to the Natural History Museum to immerse in our geography topic, volcanoes. The children had a lot of fun learning facts about the causes and effects of volcanic eruptions.

It was fun because there was an interactive game where you could make your own volcano. I learnt that there are many types of volcanoes that are different shapes and sizes and erupt in different ways.— Chaimaa 6F

This week Reception were learning about the sense 'touch' and participated in an activity describing how different materials felt. The children then wrote a short sentence such as, 'It is soft.'

The transformation has begun!

The children in 5M are so excited as our caterpillars have started their transformation and are entering the chrysalis stage. Soon the pupa will go through metamorphosis and our beautiful butterflies will appear. We can't wait to see this process happen right in front of our very eyes.

Hackney BMX Club By Thomas Millar

Hi, my name is Thomas, and I am a BMX rider. I started BMX when my family were at the Daubeney Fields fun day 2 years ago. Hackney BMX club were there and they encouraged me to take up BMX. I enjoy BMX because it is a very social and competitive sport when you race. You also meet a lot of new friends. It is very fast and physical. I have raced at some local races and some very far away. For example, the nationals in Kent and the British BMX Championships in Derby. Hackney BMX love new riders trying out the sport so whenever you need something to do just come along. You can find details on the Hackney BMX Facebook page. To come to our session you must: be able to ride a bike standing up. You must come with long sleeves and trousers. You can also borrow equipment and the first session is free. You never know, you could be racing this time next year!

GOOD LUCK!

Daubeney Fields

Year 1 went on their first trip to Daubeney Fields. We looked at what is in our surrounding area and will be making a map about our local community!
