

This week Reception are learning...

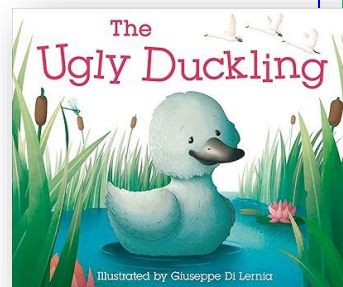

TOPIC: WHERE ARE ALL THE DINOSAURS?

Literacy

This week for Drawing Club we will be reading *The Ugly Duckling*. We have been learning about the changes animals go through and this traditional tale goes along nicely with this theme! We will be writing about the characters, the setting and looking at some what ifs.

You can help by:

- Reading with your child regularly.
- Practising writing short sentences
- Practising writing their names.
- Practising last week's sprinkle words

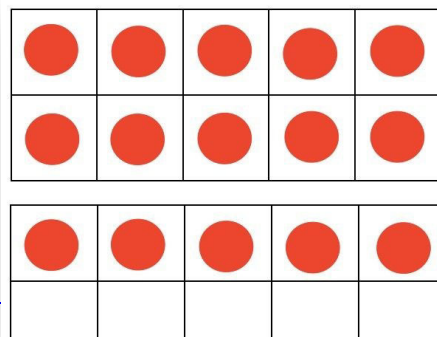

Numeracy

This week we will be continuing to learn about the numbers between 10 and 20. We will be exploring how they are partitioned into tens and ones, what that means and how this looks on a tens frame.

You can help by:

Practising saying and writing numbers to 20.

Reception Information:

Welcome back to our final term of Reception! We have a busy term coming up, please keep an eye out for important dates on here including Sports Day, Transition Day, end of year trip, etc.
